

Specifications

Current Rating: 3Amp
 Insulation Resistance: 1000MΩ Min.
 Dielectric Withstanding: 600V AC/DC
 Contact Resistance: 20mΩ Max.
 Operating Temperature: -40°C to +105°C

Materials

Contact Material: Copper Alloy
 Insulation Material: Polyester, UL 94V-0
 P.B.T
 All materials must be GP materials

Recommended P.C.Board Hole Layout
